
Making Bureaucracies Think Environmental Impact Statement

expertise and the policy cycle - gdrc - 1 experts can, and often do, play an important role in environmental decision-making. an understanding of this role, however, must be based firmly in the political milieu in which decisions are made. **collaboration as a management and leadership strategy for ...** - by rosemary o'leary and catherine gerard *fad or future? collaboration as a management and leadership strategy for local governments*
